### Family Night

What are family nights? There is no regular class on Family Night. Each family (grades 1-9) will be assigned to either *A Group* or *B Group*. On alternating months, your respective group will meet as a family from 5:45-6:55 at Holy Ghost Church Basement. There we will eat a meal together. Following the meal, the kids will be dismissed to their own session (based on grade level) while adults remain for a presentation and discussion.

### Home Night

What are home nights? There is no regular class on Home Night. Each family (grades 1-9) will be assigned to either *A Group* or *B Group*. On alternating months, your respective group (grades 1-9) will be given an assignment to complete at home. The assignment will be interactive and simple. The goal is to help establish patterns of parent-led faith formation in the home.
