

Charter Bus Information:

Children that ride the bus to Religious Education will board the bus that has a sign in the window "CCD BUS." The bus will then transport all students to their respective parishes. Please make sure to inform your child to pay attention to where the stops are because Holy Ghost and St. Charles children will also be riding the bus. In the past years, Holy Ghost was the first stop, followed by St. Charles, and we have been last. If this sequence changes, we will let you know. The children will exit off the bus and enter the cafeteria for a snack break. In the past we asked families to provide a snack. However, we noticed the children either needed more food or forgot, so we began to provide the snacks. Thus we have included a snack fee of 1 dollar/week to help offset the cost. This equals the 30 dollars for the year in addition to the bus fee for a total of 80 dollars towards 'busing.' After snack, they will have an activity time. Sometimes it will be free time in the gym, other times those children interested will be helping with the backdrop scenes and costumes for the end of the year play.

Children riding the chartered bus to Religious Education classes are asked to respect each other as well as the bus driver. The children are to follow any rules he/she may have. Children will only be allowed 1 warning on the bus. If the bus driver needs to give a child more than 1 warning, know that he/she may lose the privilege of riding the bus.

Please note: if your child has any food allergies, please list them on ALL registration forms and include their reaction/severity.
