

## *The Church of Notre Dame*

Mother Church of the Chippewa Valley

The Diocese of La Crosse has a Diocesan-wide Safe Environment Program, which is required for each household. Once completed, the *Diocese of La Crosse Safe Environment Education Acknowledgement or Waiver for Parents* must be signed and kept on file here in my office. This can be done one of two ways:

1. Borrow the DVD and the Red and Green booklets from my office. View the DVD and read the booklets, then sign the attached *Acknowledgement/Waiver* and return it to me.
2. Online at [www.dioceseoflacrosse.com](http://www.dioceseoflacrosse.com) by following the directions below. At the end of the training you will be prompted to print off an *Acknowledgement/Waiver* form and turn in to me. You can do that, OR use the one provided with this letter.

- When on the *Home* page, you will see at the upper right, there are 4 tabs; click on **Offices and Ministries**; scroll down to **Safe Environment**.

- Once at the Safe Environment page, on the left side of the screen, click on **Program Training**; then choose the last option, **Parents**, and **CLICK HERE**.

Please use the option that works best for you, but...do it soon. I need to make a compliance report to the Diocese.

The other part of this requirement is to provide Safe Environment training for the students from the Catholic prospective. What will be taught can be read about in the square on the Verification form, according to the age of your child. This will be done at Religious Education on **November 20, 2019**. Please contact me with any questions.

Thank you!
