

Teaching the Way of Love

because humanity passes by way of the family . . .

Who: Parents raising children of any age

What: Teaching the Way of Love (TWL) is a program that encourages and empowers parents to embrace their role as primary educators of their children, especially in moral and personal development.

When: Monthly gatherings starting this Fall

Where: Parishes throughout the deanery

Why:

- Our busy and distracted lives can make parenting seem like a chore instead of a blessing.
- We want the best for our children and fight a culture that rejects our morals and faith.
- We can gather together to share and learn.
